Summary

This clip helps you keep your desk organized by holding your Laptop cable when you're not using it.

Tags: [cable](#) [laptop](#) [cableholder](#) [cableclip](#) [cableorganizer](#)

I made this model for a Desk with a thickness of 20mm and a cable with a diameter of 4,5mm. This clip isn't intended as a permanent holder but just for when you're not using the cable. I also included STEP files so you can easily adjust dimensions.
