Some add-on "chill" for your Lego Wreath. With several different snowflake models to choose from, how will your wreath turn out... only time and filament will tell!!

I scaled my wreath to 125% Here is a link to the download of the wreath.

These snowflakes fit in the wreath branches above printed at 100%, but since I scaled this wreath to 125% I also scaled these stars in PrusaSlicer to 125%
