## Summary

A very low profile Y-axis end cover thing

[3D Printers](#) > [Creality Parts & Upgrades](#)

Tags: [ender](#) [cover](#) [pro](#) [3](#) [axis](#) [lowprofile](#) [y](#)

I wanted a very low-profile y-axis cover that also had the bed levelling screw directions on. Some tinkercad later, this is what I ended up with.

I printed with two colors and in TPU, but go ahead and print however you want.
