Summary

You don't need to be a genius to know safety glasses are a smart idea.

Tags: [organizer](#) [holder](#) [safety](#) [glasses](#) [einstein](#)
[safetyglasses](#) [albert](#)

Albert Einstein's nose and mustache (original version created by Rossi). My addition is a base for the nose to let it stand on a table or desk. The multiple divots allow different sizes of safety glasses to rest securely.

I printed both pieces in PLA at 0.2 layer height.

This remix is based on

Sunglass Holder / Organizer - Albert Einstein

by Rossi
