Summary

A drop in replacement for 30mm Sanwa arcade buttons

[Gadgets](#) > [Video Games](#)

Tags: [arcade](#) [arcadebutton](#) [fightstick](#) [hitbox](#)

Print all three parts. You might have to scale the nut by 1-2% / tweak print settings in order to get a good fit.
I've been printing with 0.15mm layer height, but others will probably work.

This remix is based on

24mm Cherry MX Arcade Button
