Summary

It is remix of very good toothbrush holder

[Household](#) > [Bathroom](#)

Tags: [remix](#) [toothbrushholder](#)

Welcome,

I created this remix for a colleague who liked the original idea, but didn't need 4 brush slots.

I also changed the plug model. I removed the holes from it. In my case, they completely fail and only make it harder to print.

This remix is based on

Familienhalter für Elektrische Zahnbürste

by Boomi
