updated 23. 12. 2023 | published 23. 12. 2023

Summary

Modeled after the text used by the Detroit Red Wings

[Art & Design](#) > [2D Plates & Logos](#)

Tags: [hockey](#) [nhl](#) [nhllogo](#)

I printed all of these parts at .15mm using the MK4 Input shaper profile.

I printed at these at normal size but they should be able to scale up or down very easily. The size of these wa originally intended to fit in a 6ft x 8-10in space
