Kugles are cute little critters that love to have fun and explore the galaxy, now you can bring them on your own adventures!

- Easy print
- No support
- fast (+- 30min)
- 0.1 - 0.3mm layer height

We're thankful for all the support the game has received so far, in order to give back to the community we're releasing a new Kugle every day until Christmas as print your own, Kugle Advent Calendar.

Print our Kugles, gift them to friends and prove that making print files available to the community is the way forward for all game studios!

We'd love to see photos of your adventures with Kugles, share them on socials with [#KugleAdventCalendar](#)

Curious about Kugle? Come play our game, it's free!

You'll be able to raise your Kugles, explore the galaxy, race across worlds and even play hide'n'seek.
