About the different models

2x HP G10

This is a laptop stand for HP G8, G9 and G10
the maximum width of the laptop is 22.5
mm

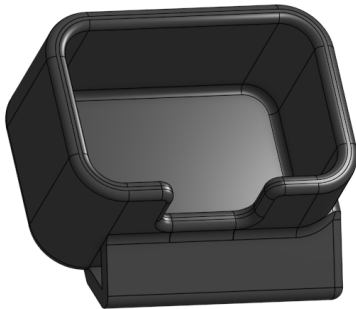

2x HP G10 + Scanner

This is a laptop stand for HP G8, G9 and G10

The maximum width of the laptop is 22.5 mm

This one has the added benefit of a holder for a hand scanner

Scanner holder

You will need this part to assemble any of the models with a scanner

I would recommend PETG or ABS because of the heat from the laptops
