Please meet the MEETINGmate. Your personal little helper in every conference.

It offers the following features:

- Holds a DIN A5 notepad / paper block very stable
- Can be used as a simple cell phone stand (88x13.5mm)
- Has special acoustic tubes the bottom part of the cell phone stand which are made for
  - hands-free speaking in conferences
  - use as a soundbox with directional sound to the user
- 2 versions available:
  - BLANK version with a round PEN Holder

- MAKERTEAM version with a round PEN Holder

The MeetingMate has a 2mm bottom surface. If you like it stronger just stretch the bottom part in your slicer. Have fun!

Material: PLA

Layerheight: 0.3mm or better

Infill: 20%
