### Summary

Stand for Hoymile HM1500

[Household](#) > [Outdoor & Garden](#)

Tags: [solar](#) [frequency](#) [hoymiles](#)

Hi,

this is a simple stand for a Hoymiles HM-1500 micro frequency converter.

Mainly designed to keep it in place on a flat roof, under the Panels.

You will need:

2pc. M5 threat inserts

2pc. M5 Screw 20mm

2pc. washer

The connector is optional and can be glued to the stands.
