### Summary

Store your annular cutters in a handy tray! This will keep them organized and prevent damage.

Tags: [tray](#) [bin](#) [annular](#)

I bought a mag drill and it came with a bunch of annular cutters. Rather than leave them in their original plastic boxes, I wanted something more organized / accessible / attractive. Enter - the 6 cutter holder!

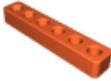

Print guidance:

Item	Value
Material	PLA
Infill	20% (although less is probably fine)
Layer Height	0.2mm
Supports	Nope!
