updated 7. 12. 2023 | published 7. 12. 2023

### Summary

This was suppose to be a Keychain but it turned out bigger than I expected. Friction fit, with holes for IUT inserts

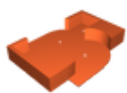

[Seasonal designs](#) > [Winter & Christmas & New Year's](#)

Tags: [logo](#) [christmas](#) [hockey](#) [keychain](#) [ornament](#) [xmas](#)  
[team](#) [ottawasenators](#) [senators](#) [belleville](#) [bellevillesenators](#)

Designed to fit IUT threaded inserts. The fit and finish is tight enough that it will hold itself with just friction, but can be screwed together if you want.

The logo is based on the Belleville Senators team logo from Wikipedia, all rights reserved.
