Right in the nostalgia for OG rocket league traders!!!

Disclaimer: Why THAT image as the cover? Well look, a long time ago I heard about some guys who sold rare objects in exchange for money. I was **never** in that world because... school and... bad internet.....and I am an honest person and I also **didn't know how to do it**, so as a reference/ wink/joke/legacy /**elegant joke** I decided to use that image, surely those in the know already realized this.
