updated 29. 12. 2023 | published 29. 12. 2023

### Summary

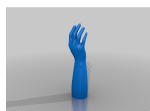

An edit of a Prosthetic arm model, made for my dissertation.

[Art & Design](#) > [Sculptures](#)

Tags: [prosthetic](#)

It can print in with only supports painted on the bottom layers, I maxed out my X1's build volume.

### This remix is based on

**cosmetic lower arm prosthetic**
