### Summary

Nothing fancy, solved a need when my laundry detergent cup broke.

[Household](#) > [Other House Equipment](#)

Tags: [cup](#) [home](#) [wash](#) [laundry](#) [laundrydetergent](#)  
[detergent](#)

Searched for one and didn't find anything, so I made one. No support needed if you print bottom up. I used white filament as that's all I had but it would look cool in clear filament.

Infill at 20%.
