Tags: [organizer](#) [filament](#) [filamentspoolholder](#) [storage](#)

These are 1" dowel holders for my filament storage cabinet. They are sized to easily fit a 1" OD dowel and utilize 2 #8 flat head screw mounting holes.

The filament storage cabinet is approximately 48" wide X 20" tall and 12" deep. I anticipate the cabinet should be able to store 30+ spools of filament.
