Summary

Decent Asus Rog Ally Stand that doesn't block the screen.

[Gadgets](#) > [Portable Devices](#)

Tags: [stand](#) [dock](#) [rog](#) [asus](#) [ally](#)

Since the original Asus Rog Ally stand is a piece of paper that actually blocks part of the screen, I decided to create my own version, much easier to use, more robust and that doesn't touch the screen at all.

Choose your version:

1) With dock placement (small and cheap Amazon docks)

2) Just the Stand.
