### Summary

1/10 Scale Popsicle 2 versions

[Tabletop Miniatures](#) > [Props & Terrains](#)

Tags: [popsicle](#) [bite](#) [scaledmodel](#)

I could not find any scaled down popsicle models for my daughter's dolls, So I created 2 versions, 1 with bite taken and one without

These are very small so use a low layer height suggested 0.1

No brim or support is needed, except if you have bed adhesion issues a brim can be used
