## Summary

SD Card Holder and SD accys

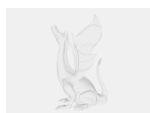

[3D Printers](#) > [Bambu Lab Parts & Upgrades](#)

Tags: [sdcards](#) [sdcardsholder](#)

I wanted an SD card holder that also held my USB adapter along with a extractor I like to use from Makerworld Profile ID 22240.

This is a loose interpretation of a Babo (By Willi) drawer insert, size is 1x2 (30mm x 60mm).
