Cute Christmas themed earrings.

Can be printed on any printer - no multicolor needed!

Just print the 3mf elements separately in the following order:

- white base
- black hat/eyes/mouth/buttons
- red scarf
- orange nose

Layer height should be 0.15mm. It is recommended to use z-hop to get best surface quality.

It is best to print several identical earrings at the same time to reduce the number of colour changes.
