### Summary

TPU tray pad for the OpenSourceEV Rivian console tray

[Hobby & Makers](#) > [Automotive](#)

Tags: [console](#) [rivian](#)

This is a tray pad that fits the console tray created (and sold) by OpenSourceEV. Not much to say other than print it in TPU.

### This remix is based on

#### **OpenSourceEV Center Console Organizer for Rivian R1T & R1S**

by Rob @ OpenSourceEV
