Tags: [sign](#) [signs](#) [warning](#) [thingiverse](#) [warningsign](#)  
[electrical](#)

### Dimensions

- 158 x 114 x 4 mm

Printed at 0.2mm layer height on my BambuLab P1P using

- [PolyTerra Cotton White Matte PLA](#)
- [PolyTerra Lava Red Matte PLA](#)
- [Bambu Textured PEO build plate](#)

Featuring official OSHA headers for electrical safety compliance, this "Authorized Personnel Only" sign serves as a vital tool in safeguarding staff health and safety. While it plays a valuable role in hazard awareness,

it should not be considered a substitute for mandatory safety protocols and measures designed to eliminate or minimize potential electrical risks.
