Tags: [scope](#) [airgun](#) [22mm](#) [artemis](#) [snowpeak](#) [22caliber](#)
[cheekpiece](#) [p35](#)

Lower cheekpiece for the Snowpeak P35 air-rifle.

35.42mm (1.39") vs 40mm of the original.

You can use regular high weaver scope rings instead of ultra high or risers.

Printing:

Print with top on bed with no supports with a tough material (ABS in the photos) and remove the added bridge type support.

Category: Sport & Outdoors
