### Dimensions

- 158 x 114 x 4 mm

Printed at 0.2mm layer height on my BambuLab P1P using

- [PolyTerra Cotton White Matte PLA](#)
- [PolyTerra Sapphire Blue Matte PLA](#)
- [PolyTerra Charcoal Black Matte PLA](#)
- [Bambu Textured PEO build plate](#)

This "Keep This Area Clear" sign adheres to official OSHA safety protocols and compliance guidelines. Its purpose is to help protect the health and safety of personnel by promoting clear pathways and preventing obstructions. However, it's important to remember that this sign isn't a substitute for eliminating or abating actual hazards. Implementing additional measures is crucial for ensuring a safe working environment.
