UPDATE:
Due to popular request, the Kit Card was updated in regards of tolerance (fit) and stability. For optimal fit I would recommend using a layer height of 0.2 mm.

Christmas ornament version of the loved snitch card. **Merry christmas!**

Assemble your own snitch at home, without having to go through the trouble of catching one.

Perfect for sending a friend a snitch via old school owl post.

Looks great in all colours. From mysterious black, gryffindor red to the original golden.
