Summary

A small frame in which 85x55mm Polaroid pictures fit Ikea Skadis walls with a clip so that the pictures can be swapped.

A small frame in which Polaroid pictures fit Ikea Skadis walls with a clip so that the pictures can be swapped.

Due to the size, 0.4mm nozzles are recommended for the clip.

I would preferably print the model in the current position, it was specially designed for this and should work without any problems.
