## Summary

Gridfinity bin for placing a Zanflare C4 charger in it

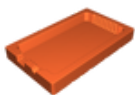

[Hobby & Makers](#) > [Organizers](#)

Tags: [charger](#) [bin](#) [gridfinity](#)

Simple gridfinity 3x5 bin to securely place a Zanflare C4 battery charger. Design has channels to help air vent from the underside. Cutouts in the back for the plug and for the USB A connector.

Please rate, post makes and like my models.
