Summary

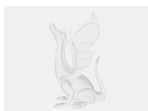

I needed some Hydroponic Netpot and Pipe Caps

[Household](#) > [Outdoor & Garden](#)

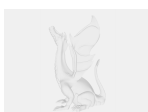

Tags: [cap](#) [pipe](#) [hydroponics](#) [netpot](#)

I needed some Hydroponic Netpot and Pipe Caps. Generally I print them in PLA, with 15% infill (or less) except the plant/light blockers, best printed in TPU with about 30-50% infill so it's bendy like rubber.
