Summary

Cover for the side of the IKEA Faktrum Drawer

[Household](#) > [Kitchen](#)

Tags: [kitchen](#) [ikea](#) [cover](#) [drawer](#) [replacementpart](#)
[faktum](#)

A replacement cover for the discontinued IKEA Faktum system.

During the renovation of the existing kitchen, these were missing, so I modeled and 3D printed around 20 of these to make the kitchen look complete.

Print in PETG or PLA.
