Summary

Vent hole cover, for covering up vents (145mm outer diameter)

[Household](#) > [Garage](#)

Tags: [air](#) [cover](#) [vent](#) [weather](#)

A replacement for a vent hole cover that broke, does not have mounting features, it needs to be glued on with silicone.

Outer diameter: 145mm

Thickness: 10mm

I printed it as is, it's not upside down it's on purpose for the thin 1-line think screen grate on the back to print properly
