## Summary

Countdown the days until you go visit Mickey!

[Toys & Games](#) > [Other Toys & Games](#)

Tags: [disney](#) [counter](#) [disneyland](#) [countdown](#) [disneyworld](#)

Part of my kid's Christmas present is a trip to Disney World, so naturally they are counting down the days until Disney!

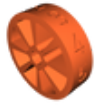

This was printed in PETG at 0.28 layer height. The tolerance on the wheels is a bit tight so you may need to adjust your slicer settings for hole horizontal expansion if printing in PLA.

Enjoy!
