Summary

Engwe E-Bike Charger Wall Mount

[Sports & Outdoor](#) > [Other Sports](#)

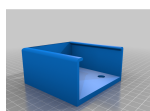

Tags: [bicycle](#) [ebike](#) [ebikecharger](#)

Engwe E-Bike charger wall mount. Fit has been tested on the charger currently used by EP 20 Pro, and the X Series. It probably the other models. If your charger measures approximately 8 X 4 CM this will work.

The cord hanger needs support. The mounting holes do not. You can use a support blocker over them if you wish.

This is a remix. The original had an inadequate cord hanger. I used [this hanger](#).

This remix is based on

Engwe power supply wall mount
