A set of trays in various configurations and sizes, for your board gaming needs. Featuring scooped inner sides, to help get the last few pieces out. Trays are also stackable, to help keep things tidy when not in use. Use them for player pieces, or game resources! Or just to keep your screws organized while you're building something (although I've got a different stackable tray for that!).

Featuring sizes 60mm, 70mm, and 90mm, with the 7mm and 90mm versions including a tall option. Various sizes with dividers are offered in sizes from 70mmx140mm to 90mmx180mm, and divisions of 3, 4, 5, and 6!
