Summary

608 ballbearing print in place (supports needed)

[Hobby & Makers](#) > [Mechanical Parts](#)

Tags: [ballbearing](#)

608 ballbearing (22mm external diameter and 8mm internal diameter)

Print in place with supports for the balls.

2 versions :

608 Ballbearing with higher tolerances. A bit of play on the final result but usually turns more freely

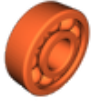

608 Ballbearing 9BBS, with less play but can sometimes be a little rough when turning (well calibrated printer needed, i still manage to get it going with my well tuned ender 3)

Model files

608_ballbearing.3mf

☐ bit looser and more fluid

608-ballbearing-9-bbs.3mf

☐ tighter print bwith 9 BBS
