Summary

A stand for any type of bottles.

Tags: [display](#) [bottle](#) [stand](#) [wine](#)

This is a stand for any type of bottles. The bottle will have an angle of 35°. I tried to make it as invisible as possible.

There are two versions. Personally, I use the smaller one (Version 2). Both work fine, as you can see in pictures.

No supports required for both versions. STEP files are included.
