Summary

A shelf to attach to your monitor stand

[Gadgets](#) > [Computers](#)

Tags: [stand](#) [mount](#) [mountingbracket](#) [speakermount](#)
[speakerstand](#) [speakers](#)

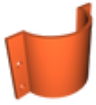

Gives you a roughly 45mm (or 60mm for longer version) shelf that attached to your monitor stand with 4 M3 screws.

Screws - 4x M3x12

Hole for mount - 35mm. Probably can mount to a slightly bigger pole if you use longer M3 screws

Printed 40% infill with no supports.
