## Summary

Keep your crimpers organized and at hand.

[Hobby & Makers](#) > [Tools](#)

Tags: [pliers](#) [crimper](#) [pliersstand](#)

Just like the title says, it's a crimper holder. The wells are perfect for iwiss or similar tools. An insert is provided for tools with skinnier handles.

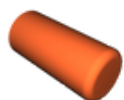

I printed this in Polymaker ABS.

.24mm layer height

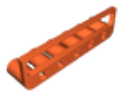

3 outer walls w/ .4mm nozzle

Cubic infill, 25% density
