Summary

Yet another glasses stand for my rimless, hingeless glasses.

[Fashion](#) > [Other Fashion Accessories](#)

Tags: [glassesholder](#) [glassesstand](#)

Yet another glasses stand. This is for my hingeless and rimless glasses. My other attempts for a glasses stand put too much stress on the arms bending points.

This print was completed on my MK4 with a 0.8 nozzle, eSun PLA Pro. No supports required.

I've included the .step file so that anyone can run with edits / improvements they wish.
