Summary

My wife wanted a holder for her beauty blenders. So I whipped one up. It's meant to be wall mounted.

My wife wanted a holder for her beauty blenders. So I whipped one up. It's meant to be wall mounted. I might remix it and make a standing version so check back.

7/28/19 : Resized holder to better fit wet blenders. Base added so it can be a standing or hanging holder.
