Dimensions: 100mm x 50mm x 105mm

Used with four blank inserts to attach to Honeycomb wall (<https://www.printables.com/model/152592-honeycomb-storage-wall/files#preview:file-hcc0c>)

print with:

- tree support,
- only touching build plate
- turn on "Support critical regions only"
- outer wall to inner wall
- 2 wall loops
- 10% infill

upper hexagon on the back may require a little cleaning with a knife to have it not stick in the honeycomb wall insert.
