To be printed and worn on your head, or to decorate a shelf.

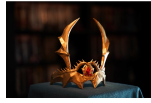

It's designed to be printed without supports (should work), but my printer fails early for some reason, so I ended up printing it with supports, and then sanding it a bit to remove the rough edges at the bottom.

I finished it with some primer and gold-colored spray paint.

Note:

It's a bit tight for an adult male head. Consider scaling it up by 5-10% perhaps. You would have to do a test-fitting.
