updated 23. 1. 2024 | published 23. 1. 2024

Summary

MMU Remix of the original model uploaded by _FirstLayer Also, added a slight scale pattern to the surface

[World & Scans](#) > [Animals](#)

Tags: [chameleon](#)

Great to print with thermochromic (color changing) filament, so it acutally can change color!

This is one of the two filaments I used:
