Summary

Simplistic champagne glass bookmark

[Art & Design](#) > [2D Plates & Logos](#)

Tags: [book](#) [bookmark](#) [champagne-glass](#)

Simplistic fast print bookmark. Designed as 2 bodies to make it easy to paint if you want to print it in 2 colors.

Printed with ironing on top layer for a smooth finish. Can be scaled up or down, but make sure to leave the Z as it is.

(Mine is printed in add:north Black PLA and Gold PLA Silk)
