Summary

Holder for 3 Oral B toothbrushes, including space for the charging station

[3D Printers](#) > [Accessories](#)

Tags: [toothbrush](#) [oralb](#) [bathroomorganizer](#)

The holder is designed to hold 3 electric Oral B toothbrushes. The charging station is integrated, allowing one of the three toothbrushes to always be charging. If none need to charge, all three can be stored. We have mounted the holder with 3 M4x20 to a cabinet in our bathroom.
