A small holder for the accessories from the ifixit pro tech toolkit.

I used this holder for the pliers: <https://www.printables.com/de/model/540978-hsw-tweezer-holder>

I used this holder for the Mako Screwdrivers and cutted the holders on each side of the modell in prusa slicer: <https://www.printables.com/de/model/524251-hsw-ifixit-mako-screwdriver-holder-tweezer-clamps>
