Tags: [flyingbearghost6](#) [fbg6](#) [td6s](#)

Adapter for installing TD6S hotend on FBG6. I printed it from 10% carbon-filled TPU, 100% filling, but it is possible to print from ABS plastic. After installation, the printer works stably at a speed of 150mm/s with an acceleration of 4500.

Trianglelab TCHC TD6S Hotend
