Presenting the "Medieval Dice Tower" - Your Ticket to Gaming Glory!

Tired of dice taking unplanned vacations during your epic DND/RPG quests? Say farewell to the chaos and roll like royalty with our 3D printed Medieval Dice Tower!

Why You'll Love the Medieval Dice Tower:

Castle of Fun: This isn't just any dice tower; it's a majestic castle where your dice become brave knights on a thrilling journey! Watch them descend the tower and make a dramatic entrance into your dice tray below.

Custom Colors: Choose from a range of filament colors to match your character's style or your gaming table's vibe. Whether you're a wizard, rogue, or warrior, your dice tower will suit you to a tee.

Dice Compatibility: Our Medieval Dice Tower works like magic with all standard RPG D20 dice sets. Every roll will be epic!

♂ **Simple Setup:** Forget complicated instructions; our Medieval Dice Tower comes with an easy-peasy assembly, just glue the two parts together.

Level Up Game Nights: Impress your fellow adventurers and Dungeon Master with your dice-rolling prowess. The Medieval Dice Tower is more than an accessory; it's a conversation starter and a symbol of your RPG dedication.

Explore the Multiverse: Whether you're battling beasts, exploring dungeons, or making deals with mystical creatures, the Medieval Dice Tower will be your steadfast companion. Unleash the power of your rolls!

Download and print now and elevate your DND/RPG adventures with the Medieval Dice Tower. Roll like royalty, because your quests deserve nothing less!

Disclaimer: No **Owlbears** were harmed in the making of this dice tower.

Printing

Print both the tower and the crenelations upside down.

Filament - PLA or PETG is fine

Infill - 15%

Layer Height - .30mm Draft Mode

Supports - The crenelations have organic supports in the gcode file

Parimeters - 3

Additional Parts - None

Bed Adhesion - You may want some glue stick to ensure good bed adhesion.

Rafts - None

Scaling - Sure, you can scale up if you want, but this size will allow standard D20 dice to pass.

Filament Change - None

Post Printing Notes: You can leave the two parts separate or glue them together as I did mine.

Happy Printing!
