Summary

The legendary red silhouette of the hiding Iraqi dictator. (Bonus: Collection of the hiding memes)

[World & Scans](#) > [Historical Context](#)

Background:

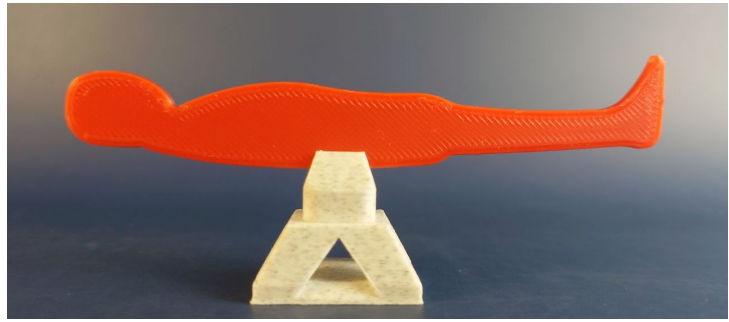

Codenamed Operation Dawn: 13th Dec 2003, American military forces conducted a search at 2 location outside the town of ad-Dawr. At first unsuccessful but a continued search led to a soldier kicking a piece of flooring, exposing a spider hole in which the dictator suddenly appeared. "Ladies and Gentleman, we got him!"

But that is not important, what everyone needs to know is the pivotal moment of mankind: A day later on 14th Dec 2003, BBC reported the capture of the dictator. In their article shows an illustration of the spider hole where the dictator was hiding. History is born but not yet bloom till much much later. Still to today, the most random thing to appear, god damm it.
