Summary

Chupito Count, how many can you count?

2.64 hrs

2 pcs

0.16 mm

0.40 mm

PET

21 g

Creality
Ender 3 Neo

[Household](#) > [Kitchen](#)

Tags: [chupito](#)

This project was created to see who can drink the most chupitos and the numbers are there to keep count. I challenge anyone not to get three rows of numbers. Of course, it can easily be in the pen holder if you up the size a bit. Have fun.
